

Commercial Office **Dalesway House**

Our second office is a short walk from the train station, at approximately 5 minutes and is open between the hours of 8:30am and 5pm.

There is no onsite parking at this site but general parking in Ilkley can be found in the central car park at a cost of £1 for 1 hour (or £6 per day). Please ask for one of our forms to complete and we will reimburse visitors for their parking fee.

We are based just by the central car park inbetween Boots Opticians and Wetherspoons.

The train station car park is strictly for train users – and penalties are incurred for anyone parking there and not using their facilities.

We are very close to the train station – and we are a 30min ride from Leeds centre station or Bradford Forster Square Station – Ilkley being the final destination. Trains run regularly.
