

Head Office Marsel House

Entrance to our registered office is via our reception at the front of Marsel House – between the hours of 8:30am and 5pm.

Outside these hours, visitors should continue around the side of the building to the door with the blue sign above it (pictured below) and ring the buzzer for Virtual College.

Our private car park has very limited spaces and parking is by pre-arrangement only (speak to the person you are visiting at least 1 day in advance of your visit).

General parking in Ilkley can be found in the central car park at a cost of £1 for 1 hour (or £6 per day). Please ask for one of our forms to complete and we will reimburse visitors for their parking fee.

The train station car park is strictly for train users – and penalties are incurred for anyone parking there and not using their facilities.

We are very close to the train station – and we are a 30min ride from Leeds centre station or Bradford Forster Square Station – Ilkley being the final destination. Trains run regularly.
