

Head Office

Marsel House

The entrance to our registered head office is via our main reception area at the front of Marsel House – between the hours of 8:30am and 5pm.

Outside these hours, visitors should continue around the side of the building to the door with the blue sign above it (pictured below) and ring the buzzer for attention and access to the building.

There is plenty of car parking available around Ilkley. This includes both on street and off street car parking. There is a large central carpark – 1 minute walk to Dalesway House (our commercial building) and 4 minute walk to Marsel House (our head office).

Please note the train station car park is strictly for train users – and penalties are incurred for anyone parking there and not using the train facilities.

Marsel House is next door to the train station (1 minute walk). Trains run from Leeds centre train station or from Bradford Forster Square station direct to Ilkley and the journey takes approximately 30 minutes. Trains run regularly, usually every 30 minutes.
