Aldwyck Housing Group - Aldwyck has a long track record of delivering affordable homes to rent or buy and providing supported housing and care services to customers in communities across the south east and east of England.

It provides over 11,000 homes and management services for around 25,000 people in a variety of tenures, from rented and part-owned homes to owner-occupiers.

Virtual College - has 21 years' experience in learning technologies and has worked closely with the housing community for 10 years, partnering with CIH, NHF, Housing Ombudsman, Housing Diversity Network as well as the Home Office. It has collaborated with a number of housing associations to develop an online training package that meets all compliance needs whilst also providing learners with sector specific knowledge.
