

# DISTANCE LEARNING

## WHAT ARE THE KEY BENEFITS?

1

### TIME

Learners get to study at their own pace

2

### UNDERSTANDING

Learners have the freedom to go over the training material until they understand it

3

### FLEXIBILITY

Distance learning offers learners the flexibility to study in their own time according to their requirements

4

### LOCATION

Learners will have access to learning anywhere with no limitations to location

5

### COST

Distance learning cuts down on travel costs and expensive classroom based training

6

### TRACKING

Allows learners to keep a digital track of their learning and training progress
