

Commercial Office Dalesway House

Our second office is a short walk from the train station (4 minutes) and is open between the hours of 8:30am and 5pm.

Dalesway House is based just by the central Ilkley car park in between Boots Opticians and Wetherspoons.

There is plenty of car parking available around Ilkley. This includes both on street and off street car parking. There is the large central carpark – 1 minute walk to Dalesway House (our commercial building) and 4 minute walk to Marsel House (our head office).

The train station car park is strictly for train users – and penalties are incurred for anyone parking there and not using the train facilities.

We are a 30 minute train ride from Leeds train station or from Bradford Forster Square station. Ilkley is the final destination point from both of these stations. Trains run regularly – usually every half an hour.
