

Marsel House Head Office

Virtual College is located at Marsel House. The entrance to our registered office is via our reception at the rear end. Access is gained through the front of the building along Springs Lane. We are very close to the train station, and we are a 30 minute train ride from Leeds centre station or Bradford Forster Square Station – Ilkley being the final destination. Trains run regularly.

Our private car park has very limited spaces and parking is by pre-arrangement only.

General parking in Ilkley can be found in the central car park for a small cost.
